

1 is the first page

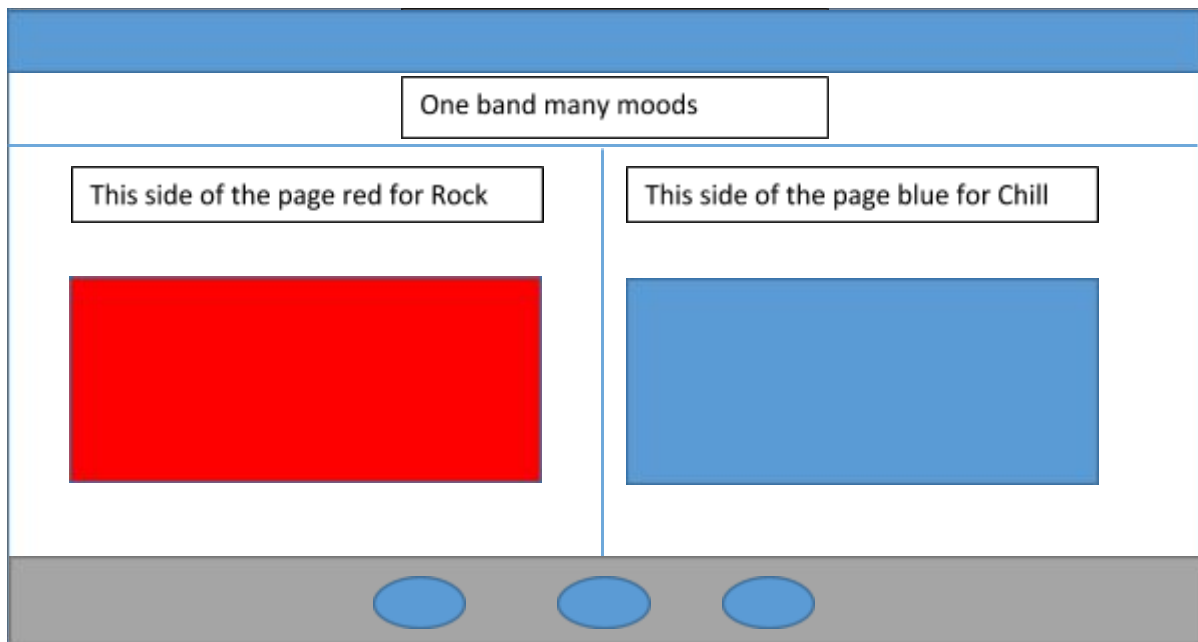

A list of songs in a number top ten list. The learn button below the list will bring the user to that page and music button the task bar will bring them here.

Footer with Social media links that change colour when hovered over.

2-second page

With screen size the blue and red backgrounds will disappear.

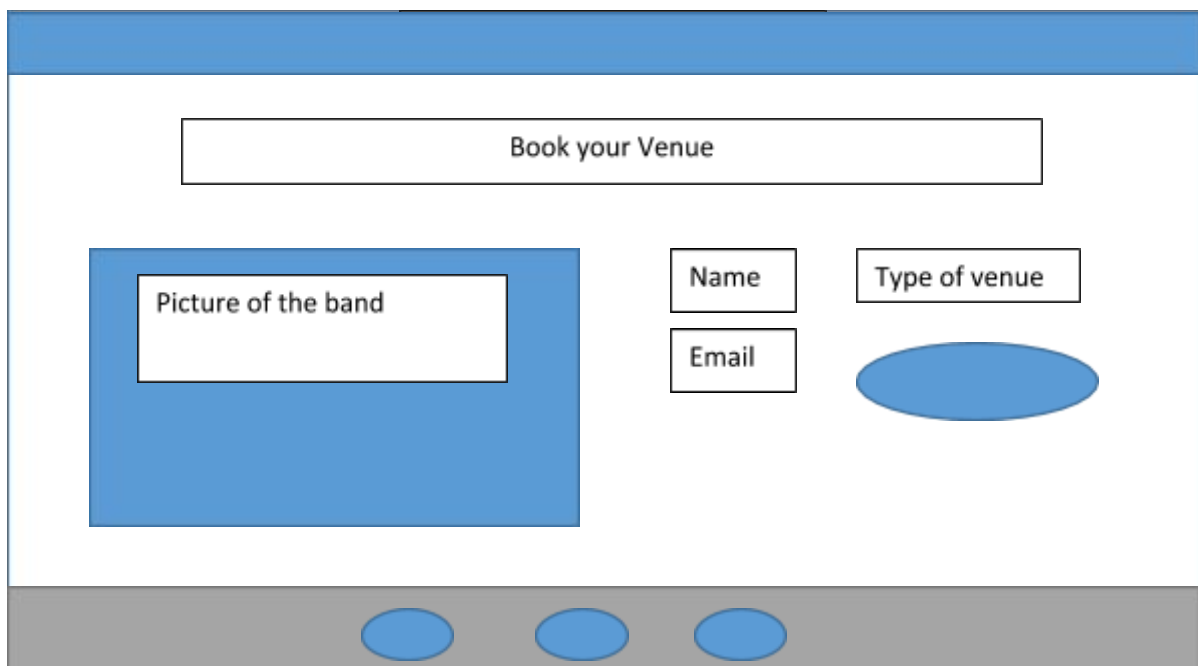

The mockup for the 2-second page features a blue header bar at the top. Below it is a white box containing the text "One band many moods". The main content area is split into two columns. The left column has a white box with the text "This side of the page red for Rock" above a large red rectangular area. The right column has a white box with the text "This side of the page blue for Chill" above a large blue rectangular area. At the bottom is a grey bar with three blue oval buttons.

3rd page

This will be for booking the band for a venue so we will have Name, email and type of venue.

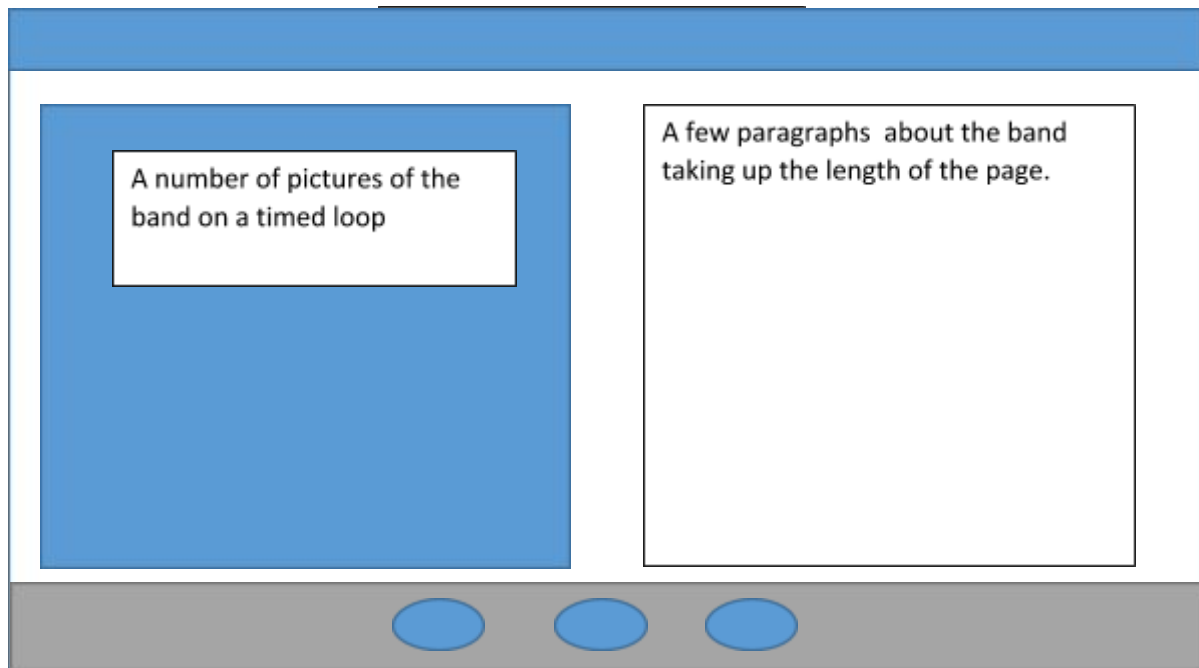

The type of venue will be on scroll wheel and a submit button.

The mockup for the 3rd page features a blue header bar at the top. Below it is a white box containing the text "Book your Venue". The main content area is split into two columns. The left column has a blue rectangular area with a white box inside containing the text "Picture of the band". The right column has two white boxes, one for "Name" and one for "Email", and a "Type of venue" label above a blue oval scroll wheel. At the bottom is a grey bar with three blue oval buttons.

4th page

Learn more button on the main page will bring people to this page.

Tool Bar break down
